RE: Star Stone Quarries, Inc.

Dear Ms. Grubaugh-Littig:

Wasatch County received the letter of intent to issue tentative approval for Star Stone Quarries in Wasatch County. Wasatch County would like to formally object at this time for the following reasons.

- The applicant has not obtained a business license from Wasatch County.
- The current operation has no approval from Wasatch County
- We have received several complaints from the residents in the area concerning blasting and current practices.

Wasatch County would like to review the detailed reclamation plans prior to any approval. We have contacted Mr. Stone and asked him to provide us with this information. Therefore, we request that the tentative approval be delayed or conditioned upon addressing Wasatch County's concern.

Sincerely yours,

WASATCH COUNTY PLANNING
